Iraq Veteran Navy SEAL

Update on America and Vision for a Path Forward

Joining us is **Charles Strange**, a man who turned personal tragedy into a mission of service after his son, PO1 **Michael Strange** (DEVGRU), was killed in action on August 6, 2011. As the founder of the **Michael Strange Foundation**, Charlie provides a lifeline to Gold Star families navigating loss. In this presentation, Charlie will highlight the foundation's work and the courage of Guest Speaker and Retired Navy SEAL **Bill Brown** in advocating for these families. He will also offer a candid critique of the Navy SEAL Foundation and the institutional challenges Gold Star families often face.
